There’s a Feeling You’re At Home

Thank you Debbie Zahurones from Nigbur’s Fine Furniture for the beautiful decorating and furnishing of this parade home. Your design expertise and quality pieces provide the finishing touches for an exquisite parade viewing experience.

We express our gratitude to God for the gift of each new day and for His hand in guiding and sustaining all that we do. It is a blessing to be a part of this talented team, that goes above and beyond to make each home we build a work of art. A special thank-you to the homeowners, for sharing their new home in the parade, and to Mike for all his hard work, tireless effort, and craftsmanship. It was a pleasure to work with you all as we completed each step of the building process together.

2018 Client Testimonial Exceeding Expectations

“Choosing the right contractor for building our “forever” home was one of our biggest challenges. In our first meeting with Jeremy he shared some great advice, “Choose the contractor you trust and feel most comfortable with.” We immediately felt a connection with Jeremy because he did not make us feel rushed or pressured which carried on through the building process. There were a number of times when we needed help with a design or layout and Jeremy had the creativity and patience to sketch his thoughts on a piece of wood or unfinished wall to help us see his vision. He excels at giving suggestions and making our unique requests a reality.

Jeremy has made our building process an amazing experience. We would like to thank him, his crew, and all the sub-contractors on the wonderful job they have done. Everyone has been awesome to work with. We are very satisfied and highly recommend Jeremy Voigt Construction for building the home of your dreams.” —Dean & Jini
